

CREATIVE FRONT-END DEVELOPER

# Elisabeth Hamel

Based in Nantes (France) and available as a freelancer, I enjoy speaking the languages that make the web alive to create efficient, fast, interactive and animated websites.

I'm especially into cultural, artistic, associative, local... projects

2014 - 2020

Front-end development (static, WordPress, JAMstack), alone and/or in a team.

Finishes and follow-up: special care for animations and interactions, performance tests and fixes, basic SEO and accessibility.

Workflow tools creation with the team, tech monitoring, new technologies tests.

Project management.
